To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Providence Venture, Inc.

Providence Venture, Inc. was contracted to perform the Bid Package #7 - Casework Scope of work at The College of the Desert - Applied Science Building. I am pleased to offer my recommendation for Providence Venture, Inc. for the work that they performed for Gilbane at the Applied Science project.

PVI's communication from the office staff down to the field staff was great. In addition the performance of your field installers resulted in virtually no punch listed items related to the casework installation.

I really enjoyed working with PVI and I look forward to working with you on future opportunities.

Respectfully,

A handwritten signature in blue ink that reads "Matt Lulling".
